

miscea CLASSIC

red dot design award
best of the best 2009

The professional choice for hand hygiene.

The miscea CLASSIC is the first sensor faucet system of its kind in the world capable of dispensing water and a combination of two other liquid products using advanced sensor technology.

Advanced SensorTechnology

Save water with miscea

2 Integrated Dispensers

Easy to Install and Refill

Personalised Settings

High Quality Liquid Products

Performance Specifications:

Voltage: 24 V
 Input Voltage: 100 ~ 240 V / 50 ~ 60 Hz
 Operating water pressure: 0.8 - 10 bar
 Max. water temperature: 75°C
 Enclosing rate of PCB components: IP 55

Package Dimensions:

Weight: 7kg
 Width: 40cm
 Depth: 30cm
 Height: 20cm

miscea LIGHT

Fast. Clean. Simple.

Discover sensor technology at a whole new level of precision and convenience with the new miscea LIGHT sensor faucet range.

The miscea LIGHT with integrated soap dispenser will revolutionise hand washing everywhere.

Advanced SensorTechnology

Save water with miscea

With Integrated Dispensers

Large Capacity Soapbox Unit
